This Safety Proposal Plan must also contain a Risk Assessment and Standard Operating Procedure specific to tendering operations from the proposed anchorage position into Dun Laoghaire Harbour

Tendering can only operate in hours of daylight

Tendering cannot operate if visibility is less than one (1) nautical mile

All Tenders should stand well clear of any large commercial vessels arriving in to, or departing from, Dun Laoghaire Harbour.

All Tenders should be aware that many pleasure boats operate in and out of Dun Laoghaire Harbour and they should navigate with caution at all times. The pleasure boats are requested not to obstruct these tenders whilst within Dun Laoghaire Harbour Limits.

Communication Plan

The following should be noted in the Communication plan:

The ship is required to maintain a listening watch on VHF Ch 12 and its tenders are required to maintain a listening watch on VHF Channel 14.

RIBs (displaying a yellow flag) will be provided to guide and escort each tender to and from the tender berth. These Escort Craft will keep a listening watch on VHF Ch 14.

No other VHF channels are to be used for Cruise Ship Tendering, which causes interference with other stations in the area.
