7 THE COURSES

The diagrams in Attachment A show the courses, the order in which marks are to be passed, and the side on which each mark is to be left.

8 MARKS

- 8.1 Main Fleet Marks 1,2,3,4 will be large inflatable marks
- 8.2 Harbour Fleet Marks 1,2,3 will be small inflatable marks
- 8.3 The starting and finishing mark may be a stripped cylindrical mark, a dan-buoy or a RIB with an orange pole.

9 THE START

- 9.1 Races will be started by using rule 26. The warning signal for each succeeding class shall be made with or after the starting signal of the preceding class.
- 9.2 The starting line shall be between the main mast of the Committee Boat and a Starting Mark.
- 9.3 An Inner Limit Buoy may be moored approximately on the Starting Line and if so, no boat shall pass between the Inner Limit Buoy and the Committee Boat after her Warning Signal.
- 9.4 Boats whose warning signal has not been made shall avoid the starting area.
- 9.5 A boat starting later than five minutes after her starting signal will be scored Did Not Start. This changes rule A4.1.

10 CHANGE OF THE POSITION OF THE NEXT MARK

- 10.1 To change the next leg of the course, the race committee will move the original mark (or the finishing line) to a new position.
- 10.2 Boats shall pass between the race committee boat signaling the change of course and the nearby mark, leaving the mark to port and the race committee boat to starboard. This changes rule 28.1.

11 SHORTENING THE COURSE

The Race Committee may decide to shorten the course at any mark of the course. Where a course is being shortened, the committee boat or a rib will display a "S" flag, and the competitors will pass between the finishing boat and the mark.
